Carried.

- Totem Poles- TKAC had previously recommended that the replacement or refreshing of the totem poles at the entrance to Kuranda (near the traffic lights on the highway) be referred to KIAC for inclusion in the Wayfinding signage project. - China Now workshop - As per the 2018/19 Strategic Marketing Plan, Kahlia sourced the opportunity to have a China Now Workshop in Kuranda for Kuranda business operators to attend and gain Chinese visitor knowledge. SUMMARY OF ACTIVITY

TEQ & TTNQ MEDIA & TRADE FAMILIARISATIONS – During the month I hosted 1 media famil in Kuranda village which was **Escape from the City ABC TV series media 23rd July** - I met with FremantleMedia Australia who are producing ABC TV series “Escape from the City”. The Kuranda township will be featured. Filming took place of the village which included, Coondoo St, Therwine St, Heritage Markets and Kuranda Original Rainforest Markets. This will create great exposure for Kuranda and producers will advise once this series comes to air in possibly 2019.

CORROBOREE ASIA 2018 REGISTRATION – As per our 2018/2019 Strategic Plan, I submitted a detailed application to attend Corroboree Asia 2018 which will be held from 26th to 31st August on the Gold Coast. Tourism Kuranda has been accepted and will be attending this trade show. We have secured a sole booth and flights and accommodation in Gold Coast have been booked. Panel artwork and preparation is underway.

LOCAL SALES CALLS – I spent 2 days during the month completing local sales calls prior to school holidays by delivering brochures to our major distribution points like Freshwater Station & KSR Cairns Central, Kuranda Station, caravan parks and the main outlets in Cairns CBD.

TABLELANDS DESTINATION STRATEGY MEETING 28th June - TK committee member Angela Freeman and I attended this destination strategy meeting in Atherton. Klick Communications, a Tourism Marketing agency lead this strategic workshop for Tablelands Regional Council in partnership with TTT and TTNQ. The workshop discussions highlighted key consumer experiences in the region which included Kuranda, helped build core story elements for target markets and helped unlock potential marketing success in our region. The outcomes of this meeting will be a top-line strategy to further support TTT's & TTNQ's marketing efforts over the coming 12 months.

LOCAL GOVERNMENT TOURISM FORUM 5th July- My attendance for this programme was endorsed by MSC and consisted of a variety of inspirational case studies, panel sessions and was a networking opportunity. This forum provided attendees and I with the opportunity to engage and connect with local government officers within Queensland who know and share the experiences within the Tourism field. Department of Innovation and Tourism Industry Development spoke, discussing the legacy of the Commonwealth Games in Queensland and Airbnbs as well as an Indigenous Tourism Panel which spoke about how to stimulate Indigenous tourism for our Council relating to both domestic and international tourists.

REEF TO REEF MOUNTAIN BIKE EVENT

After contacting event organisers I was able to include Kuranda Village as a “must do” option for their competition competitors' itineraries when visiting our region and information was provided to them about the Kuranda accommodation options available during the event. This event is the first time being held here and is located between Smithfield (stage 1) and Davies Creek (stage 2) on the 9th to 12th August.

PRO-ACTIVE MARKETING - Brisbane Caravan & Camping Show 6-11 June 2018 report

Visitor numbers were approximately 43,000, this being up on last year. Very similar to last year, some visitors came from Regional Queensland, Victoria, New South Wales, Western Australia, Northern Territory and even New Zealand. Some from Regional Queensland including Cairns had flown down for the show. Most coming North were going to travel via the Matilda Highway, visit Winton, then after a visit to Lawn Hill turn east for Cairns either along the Queensland section of the Savannah Way or Overlanders Way through Charters Towers on to Townsville then North to Cairns. Although most were self-drive, a number of these requested information on tag-a-long tours, Cairns information and areas they did not want to drive their vehicles. Road conditions and fuel availability were questions asked, specifically in relation to Cooktown, the Western Gulf, Savannah Way and Cape York Peninsula.

Several self drive visitors were considering a stay in Cairns as they wanted to visit the Reef, Skyrail, Kuranda, Tablelands and Daintree. Some requested specific information on Hartley’s Creek Crocodile Adventures along with other Tourist attractions as they had been told by friends but had little information. These requests included Herberton Historic Village. Most visitors claimed they were travelling this year, with others planning for next year and beyond. Most travelling this year said they were leaving by the end of the month with the others in July with some in August and September. Several people requiring information on the north indicated planning to fly to Cairns instead of driving then use day tours to see the area. Even some with vehicles indicated taking tours as they felt they missed too much and had little information when driving. Overall this Show was very positive with the volume of Caravan and Camper sales along with accessories indicating a strong year for travel and all products presented should benefit from the exposure.

JAPANESE ONLINE MEDIA EXPOSURE

Travel Watch Impress is a popular Japanese online media travel platform which I hosted in December 2017. In July they released their “Kuranda Day Out” media blog which was shared to millions of online customers. Kuranda received fantastic exposure and included Rainforestation, KSR, Kuranda Home Made Icecream, Kuranda Original Rainforest Markets, Stillwater Sweets, Honey House, Heritage Markets, KVIC and Barron Falls.
