Item	Discussion / Outcomes	Action Officer
1	Welcome to guest Lance Starr of RISE	
2, 3, 4	Previous mins : Explanation of short/long term plans	
5	Envirocare – drawing up an audit of trees on site Bush Tucker trees planted by students – Mandy to research for more info.	
6	RISE – come back to	
7	Amy & John B continuing	
8	Look into possibility of other community groups able to auspice KCPAC grants	
9	RISE – Explanation that RISE is govt. funded, a private enterprise, western tablelands has received a lot of RISE support, work for dole. Contract is up on 30/06/19. Will know further details depending on current audit outcomes. If contract is renewed could employ a new supervisor and set a crew onto the precinct project. Lance has had communications with Barry Hunter re cultural values and input of site. Amy asked if there was funding to pay small amounts of income for participants – PMC policy is to generate income for participants. Nipper will discuss with council, including other sources via this project. EG. Grounds beautification, paths, picnic shelter. Funding based on attendance levels, no start up funding. Step 1 for RISE is to speak with General Manager, Darryl Kimmester, invite GM to a meeting, wait for star rating in December.	
	Arch had to leave early – 9.50am	
9cont	Work out 1 <sup>st</sup> stage of works, what, how much. Can put crew on site part-time for clean up of grounds – need to scope first, back to council, on site. Lance out for 1 month (surgery) Will meet on site next week to scope site	
10	Move meetings to Fridays at 3.30pm Next meeting Friday 9 <sup>th</sup> November This meeting closed at 10.20am
