THE SITE

The subject land is made up of 3 allotments situated at 542 Emerald End Road, Mareeba, and described as Lots 12, 13 and 14 on RP708066. All three lots are regular in shape and are all zoned *Rural* under the Mareeba Shire Council Planning Scheme 2016.

Lot 12 has an area of 5.294 hectares and a frontage of 110 metres to Emerald End Road which is constructed to a bitumen sealed standard. Lot 12 is improved by 3 outbuildings entirely situated within the lot as well as a dwelling and a fourth outbuilding which are only partly built on the lot as they have been built over the common boundary between lots 12 and 13.

Lot 13 has an area of 4.983 hectares and a frontage of 100.6 metres to Emerald End Road also. Lot 13 is improved by a dwelling and one outbuilding which are only partly built on the property, built over the common boundary with Lot 12.

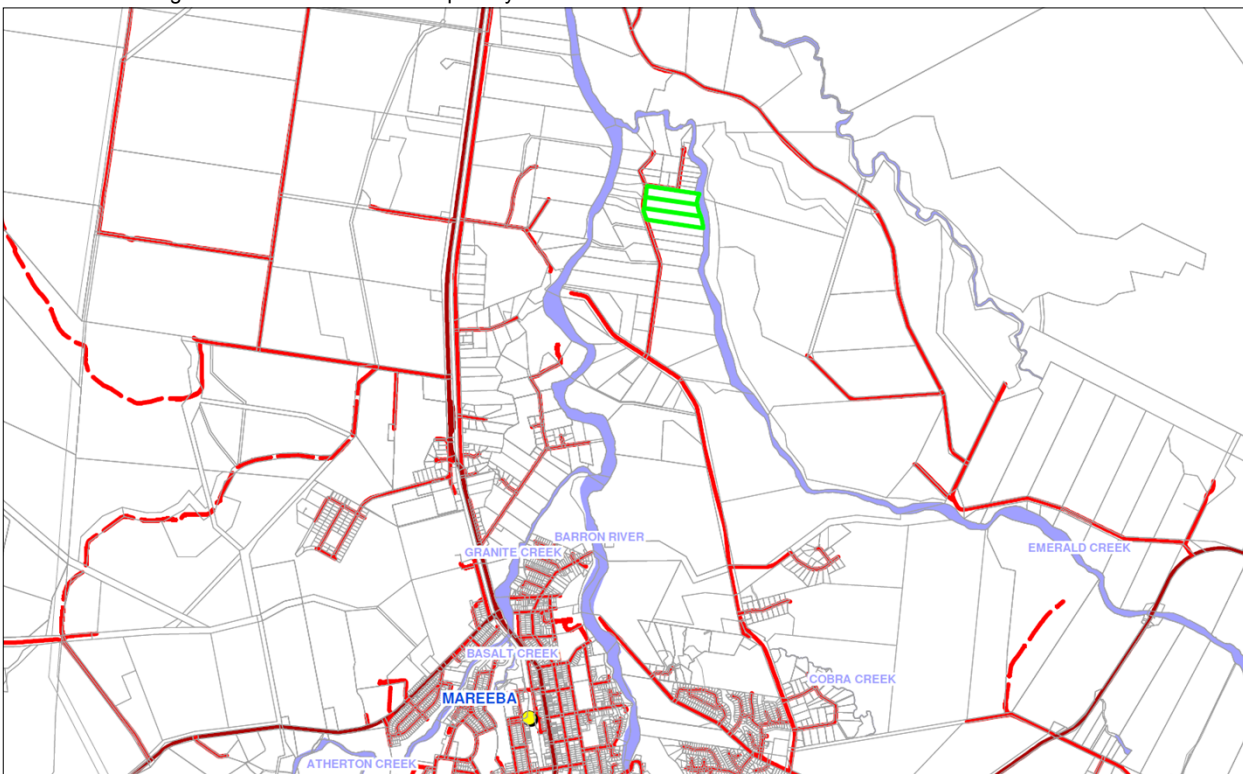

Lot 14 has an area of 4.742 hectares and a frontage of 100.6 metres to Emerald End Road and a further 280.9 metres of frontage to Emerald End Close which is also constructed to a bitumen sealed standard. Lot 14 contains no improvements.

A mature fruit tree orchard currently exists over the western half of all three lots with the primary intention of the proposed boundary realignment to include the entire orchard in one larger allotment. All three lots back onto Emerald Creek which flows immediately east of the land. Surrounding lots to the north and west of the land are zoned Rural Residential and primarily contain single dwellings while allotments to the south are zoned Rural and are also primarily used as rural lifestyle lots.
