DA Form 1 – Development application details

Approved form (version 1.3effective 28September2020) made under section 282 of the Planning Act 2016. MAREEBA

This form mustbe used to make a development application involving code assessment or impact assessment, except when applying for development involving only building work.

For a development application involving building work only, useDA Form 2 – Building work details.

For a development application involving building work associated with any other type of assessable development(i.e. material change of use, operational work or reconfiguring a lot), usethis form (DA Form 1) and parts 4 to 6 of DAForm 2 - Building work details.

Unless stated otherwise, all parts of this form must be completed in full and all required supporting information must accompany the development application.

One or more additional pages may be attached as a schedule to this development application if there is insufficient space on the form to include all the necessary information.

Note: All terms used in this form have the meaning given under the Planning Act 2016, the Planning Regulation 2017, or the Development Assessment Rules (DA Rules).
