Council officers believe public notification should be carried out again considering the requested change to the development application includes a land use not included in the original development application (Child care centre).

In accordance with Section 53(4)(b)(i) of the Act, the public notification period must be 30 business days starting on the day after the last notification action has been completed.

REFERRAL AGENCIES

Based on the information accompanying the lodged application, referral is required to the following referral agencies -

| Material change of use of premises near a State transport corridor or that is a future State transport corridor | | |
|---|---|---|
| Development application for a material change of use, other than an excluded material change of use, that is assessable development under a local categorizing instrument, if all or part of the premises— (a) are within 25m of a State transport corridor; or (b) are a future State transport corridor; or (c) are— (i) adjacent to a road that intersects with a State-controlled road; and (ii) within 100m of the intersection | Schedule 10, Part 9, Division 4, Subdivision 2, Table 4 | State Assessment & Referral Agency (SARA) PO Box 2358 Cairns QLD 4870 CairnsSARA@dsmip.qld.gov.au |

In accordance with section 54(1) of the Planning Act, the applicant is required to give a copy of the application to all referral agencies within 10 days, or a further period as agreed between the applicant and the assessment manager, starting the day after the confirmation notice is issued.

INFORMATION REQUEST

Has the applicant advised on the approved form that the applicant does not agree to accept an Information Request? No

A further Information Request **will not** be made by the assessment manager. Regardless of this advice, a Referral Agency may make an Information Request.
