Proposed Business Structure for SPEEWAH FARMALL

- Stock Feed and Pet Supplies
 - Plumbing and Hardware Supplies
 - Nursery and Garden Supplies
 - Mechanical Supplies
 - Small Engine Repairs and Servicing
 - Equipment Hire
 - Basic General Store
-
- I have lived in Speewah at 57 Douglas Track since 2008 and opened Speewah Farmall to the public in May 2016. In the past 5 years of being open I have identified what the public wanted from Speewah Farmall and we have evolved into a local community hub that provides essential services to the greater 4881 District. As time has gone on we expanded beyond original limitations as a home business which has prompted this new Development Permit for Material Change of Use. We are not seeking to expand any further on the services currently provided by Speewah Farmall.
-
- The application would entail us being granted to operate as a Retail Shop (General Store), Garden Centre (Nursery), Small Engine Repairs and Servicing (Low Impact Industry). We currently also offer a service acting

as a Depot for Marsh Butcheries with meat deliveries twice a week to the local community who a lot of them don't have the capabilities of getting down the hill to Cairns for such supplies. This is a very well received option that we would like to continue to operate. The Marsh Family are also Speewah Locals. We also like to embrace local products and sell on behalf of our locals in store (i.e Local Honey etc).

- At Speewah Farmall we are very community orientated and regularly do fund raisers for the local community members and or organizations with our last Fundraiser raising \$4470 after costs for Locals of the 4881 district on the Annual "Speewah to the Hat" Walk last August. As part of our fundraising we would like to extend to the opportunity to be able to have sausage sizzles and of food vans on Saturday mornings etc to be able to further assist the community.
- Speewah Farmall has been very well received and embraced by the Locals and I feel as an Essential Service Provider to the area that the area would be much worse off without our services that we offer no longer being available to the public in our region.
- Speewah Farmall is also very well received by its immediate neighbors of whom are regular customers to our store.

- Speewah Farmall has two local Speewah employees, One being a young Indigenous Trainee and the other being a mature age Apprentice Small Engine Mechanic.
- I feel that with Speewah Farmall being well placed (only 800m from the HWY) and well received by the greater community that with us being here that we have decreased the impact of vehicles as a whole on the roads. With Speewah Farmall being here the locals no longer have to travel to Mareeba or Cairns to purchase the same supplies and therefore decreasing the impact to our roads as opposed to increasing the impact.
- The dwelling that Speewah Farmall resides in has been built to a commercial standard in its entirety and also has provisions for a disabled size bathroom for future works. I feel Speewah Farmall is not quite at a capacity to require that to be instated yet but will be looking to install that in the future.
- Speewah Farmall currently has 5 carpark bays which has proven to be quite adequate for the size we currently operate at. We don't have any car parking issues to date. We also have a Fully Compliant and inspected Disabled Ramp from the carpark to the store already in place.

- Speewah Farmall operating hours are currently:
 - 9am to 5pm Tuesday to Friday
 - 9am to 12pm Saturday
 - Closed Sunday and Monday
 - Closed Public Holidays
- For the purpose of this application we would like to re apply for the same operating hours we are already approved for:
 - 8am to 6pm Monday to Saturday
 - Closed on Sundays
 - Closed Public Holidays
- We are applying for a 2m x 2m size sign to be placed on the front of the building and to have other associated signage on the fence i.e business hours etc.
- Speewah Farmall and the entire property is always maintained to a high standard and this includes the council easement out front of which I have always maintained this council area at my own cost and will continue to maintain it to a very high standard.
