EXECUTIVE SUMMARY

Council is in receipt of a code assessable development application described in the above application details. Being code assessable, the application was not required to undergo public notification.

The applicants propose the erection of two advertising devices situated at the southern and northern end of the property addressing both southbound and northbound traffic using the Mulligan Highway/Main Street. The two signs will have dimensions of 2400mm x 1200mm and will have split sign face content. One half of the sign will be permanently used to advertise the historic sawmill remains on site and will state - "J.M. Johnston Sawmill 1914-1963" while the other

half of the sign will be used exclusively to advertise events and local information about the Mount Molloy area. The signs will not advertise individual businesses.

The application has been assessed against the Mareeba Shire Council Planning Scheme 2016 and is not in conflict with any relevant aspect of the Planning Scheme.

It is recommended that the application be approved in full, subject to conditions.

OFFICER'S RECOMMENDATION

THE SITE

The subject site is situated on the corner of Santowski Crescent and Main Street (Mulligan Highway) at 24 Santowski Crescent, Mount Molloy, more particularly described as Lot 1 on SP247832. The site is generally regular in shape with an area of 4,273m² and is zoned Low density residential. The site contains 50 metres of frontage to Santowski Crescent and a further 79 metres of frontage to Main Street, both of which are bitumen sealed. No formal access point exists.

The site is relatively unimproved except for the remnants of the J.M. Johnston Sawmill which was established and operating on the site between 1914 and 1963. All immediately adjoining lots are zoned Low density residential and contain established dwellings.

DESCRIPTION OF PROPOSED DEVELOPMENT

The development application seeks a Development Permit for Operational Works - Advertising Device in accordance with the plans shown in **Attachment 1**.

The applicants propose the erection of two advertising devices situated at the southern and northern end of the property addressing both southbound and northbound traffic using the Mulligan Highway/Main Street. The two signs will have dimensions of 2400mm x 1200mm and will have split sign face content. One half of the sign will be permanently used to advertise the historic sawmill remains on site and will state - "J.M. Johnston Sawmill 1914-1963" while the other half of the sign will be used exclusively to advertise events and local information about the Mount Molloy area. The signs will not advertise individual businesses.

The proposed signs will look as follows:

REGIONAL PLAN DESIGNATION

The subject site is included within the Regional Landscape and Rural Production Area land use category in the Far North Queensland Regional Plan 2009-2031. The site contains no areas of ecological significance.

PLANNING SCHEME DESIGNATIONS

Strategic Framework:	Land Use Categories <ul style="list-style-type: none"> Residential Area Transport Elements <ul style="list-style-type: none"> State Controlled Road B-double Route Principal Cycle Route
Zone:	Low Density Residential Zone

RELEVANT PLANNING INSTRUMENTS

Assessment of the proposed development against the relevant planning instruments is summarised as follows:-

(a) Far North Queensland Regional Plan 2009-2031

Separate assessment against the Regional Plan is not required because the Mareeba Shire Council Planning Scheme appropriately advances the Far North Queensland Regional Plan 2009-2031, as it applies to the planning scheme area.

(b) State Planning Policy

Separate assessment against the State Planning Policy (SPP) is not required because the Mareeba Shire Council Planning Scheme appropriately integrates all relevant aspects of the SPP.

(c) Mareeba Shire Council Planning Scheme 2016**Relevant Development Codes**

The following Development Codes are considered to be applicable to the assessment of the application:

- 6.2.6 Low density residential zone code
- 8.2.6 Flood hazard overlay code
- 8.2.7 Heritage overlay code
- 8.2.12 Transport infrastructure overlay code
- 9.4.1 Advertising devices code

The application included a planning report and assessment against the planning scheme. An officer assessment has found that the application satisfies the relevant acceptable solutions (or probable solutions/performance criteria where no acceptable solution applies) of the relevant codes set out below, provided reasonable and relevant conditions are attached to any approval.

Relevant Codes	Comments
Low density residential zone Code	The application can be conditioned to comply with the relevant acceptable outcomes (or performance outcomes where no acceptable outcome has been provided or an acceptable outcome cannot be met) contained within the code. Refer to code document for further commentary.
Flood Hazard Overlay Code	Although triggered for assessment, the provisions contained within the code are not considered relevant for advertising devices in the potential flood hazard area.
Heritage Overlay Code	The application can be conditioned to comply with the relevant acceptable outcomes (or performance outcomes where no acceptable outcome has been provided or an acceptable outcome cannot be met) contained within the code. Refer to code document for further commentary.
Transport Infrastructure Overlay Code	The application can be conditioned to comply with the relevant acceptable outcomes (or performance outcomes where no acceptable outcome has been provided or an acceptable outcome cannot be met) contained within the code. Refer to code document for further commentary.
Advertising Devices Code	The application can be conditioned to comply with the relevant acceptable outcomes (or performance outcomes where no acceptable outcome has been provided or an acceptable outcome cannot be met) contained within the code. Refer to code document for further commentary.

(e) Planning Scheme Policies/Infrastructure Charges Plan

The following planning scheme policies are relevant to the application:

Planning Scheme Policy 4 - FNQROC Regional Development Manual

A condition will be attached to any approval requiring all development works be designed and constructed in accordance with the FNQROC Development Manual.

REFERRALS

This application did not trigger referral to any Referral Agency.

Advice

This application did not trigger referral to any Advice Agency.
