INFORMATION REQUEST

Has the applicant advised on the approved form that the applicant does not agree to accept an Information Request? No

A further Information Request is made by the assessment manager, as detailed below:

1. Revised Plans

In order to provide clarity moving forward, particularly to the public during the public notification process, please provide a more detailed set of plans, prepared by a professional, addressing the entire development as well as each individual Stage of the development.

2. Traffic Impact Assessment

Please provide a Traffic Impact Assessment (TIA), prepared by an RPEQ, addressing anticipated traffic volumes and recommended upgrades (if any) on both Emerald Falls Road and Kay Road. The TIA should address each individual Stage of the development.

3. Ecological Assessment

The subject site is situated in proximity to a National Park as well as the Wet Tropics Area. Please provide an Ecological Assessment, prepared by a suitably qualified professional, demonstrating that the proposed development, in particular the Outdoor Sport and Recreation (events) component, will not have a detrimental impact on the fauna present in these ecologically significant areas. The ecological assessment should also address the Environmental significance overlay code where relevant to the site.

4. Bushfire Management Plan

Development is proposed within the medium potential bushfire intensity area and potential impact buffer (100 metres).

Please provide a detailed Bushfire Hazard Management Plan, prepared by a suitably qualified professional demonstrating compliance with PO1, PO2, PO4 and PO8 of the Bushfire hazard overlay code.

5. Event, Functions and Educational Activities

Please amend the Town Planning Submission to clearly state that the number of persons nominated for "Events, Functions and Educational Activities" for each stage of the proposed development is on a per annum basis, and not per individual event, function or educational activity.

End of Information Request

In responding to the Information Request, *Development Assessment Rule 13* states: -

"13. Applicants Response

13.1 The period for the applicant to respond to an information request is 3 months from the date the information request was made or a further period agreed between the applicant and the assessing authority that made the information request.

13.2 The applicant may respond by giving the assessing authority that made the information request, within the period stated under section 13.1 -

- (a) all of the information requested; or*
- (b) part of the information requested; or*
- (c) a notice that none of the information will be provided.*

13.3 For any response given in accordance with sections 13.2(b) or (c), the applicant may also advise the assessing authority that it must proceed with its assessment of the application.

13.4 An applicant must provide a copy of any response to an information request made by a referral agency to the assessment manager."
