1.1 Introduction

This application seeks a Development Permit for a Material Change of Use for Caretakers Accommodation over land at 397 Speewah Road, Speewah Qld. 4881 formally known as Lot 20 on SP342262 being located within the Rural Zone of the Mareeba Shire LGA.

As specified in Table 5.5.9: Rural Zone of the Mareeba Shire Planning Scheme, the application is classified as Code Assessable Development subject to compliance with the requirements of the relevant codes for a Material Change of Use located within the Bushfire Hazard Overlay and Environmental Significance Overlay.

1.2 Proposed Development

The proposed development is the classification of the existing Dwelling as Caretakers Accommodation. As illustrated in Figure 1 below, the existing dwelling is a long established dwelling house accessed via the Speewah Road frontage.

The proposed Caretakers Accommodation will provide accommodation for permanent occupants who will perform management duties of the site and it's Rural activities including paddock maintenance, equestrian related activities, site maintenance and other site related work.

The proposal does not involve the construction or demolition of any buildings or structures. The existing Dwelling and Outbuildings will be retained and maintained by the occupants of the Caretakers Accommodation.

Figure 1: Existing Dwelling House on Speewah Rd frontage (Qld. Globe).

1.3 Site and Locality

The proposal site is situated on Speewah Road which gains direct access to the Kennedy Highway and is located amongst a mix of Rural and Rural Residential allotments which are densely vegetated or partially cleared lots containing grazing land and/or improved with Dwellings and associated Outbuildings. The site is mostly vegetated by native vegetation being partially cleared for agricultural use.

The site is zoned Rural and is currently utilized for grazing and equine related purposes, being improved with a Dwelling House and associated Outbuildings. The site has frontage to Speewah Road (west) and Stoney Creek Road (north) and is bound by gazetted Road parcels (unimproved) to the south and east, Rural allotments to the west, east and south and Rural Residential allotments to the north.

The site is affected by the Bushfire Hazard Overlay, Environmental Significance Overlay and Hill and Slope Overlay (not affecting the proposed development). The site is not located within a Local Plan or Precinct.
