To Whom It May Concern;

RE: Boundary Realignment of Lot 301 on SP280080 and Lot 257 on SP214764.

It is understood that as the property adjacent to a highway, the application is required to be approved by the Department of Transport and Main Road.

It is unnecessary for the application to be referred to the Department of Transport and Main Road. The application is regarding reconfiguring a lot within the premises. There are no changes, or additional entries to the property. The current access to the properties are to stay at the current state. There are no current entries to the property on the Highway.

If you have any queries, please do not hesitate to contact myself or our Consultant, Roger Twine on 40912175.

Kindest Regards,
