## ROAD CORRIDOR EVENT PERMIT APPLICATION

Local Government Act 2009 (Qld) – (sections 69 closing a road and 75 unauthorised works on roads)
Local Law No. 1 (Administration) 2018 and Subordinate Local Law No.1 (Administration) 2018

**PRIVACY NOTICE:** Mareeba Shire Council is collecting your personal information in accordance with the Local Government Act 2009 in order to process this application. If you choose not to provide your personal information, the application may not be approved. Your personal information will only be accessed by authorised Council employees. Your personal information will not be used for any other purpose or disclosed to any other person or entity unless you have given us permission or we are required by law. Please refer to Council's QPP Privacy Policy for further information on access or correction of personal information held by Council.

### PLEASE READ THE FOLLOWING INFORMATION BEFORE COMPLETING AND RETURNING THIS FORM

- This application must be completed in full and submitted with the mandatory attachments and any other information that will support the application. Applications that are incorrect or incomplete will not be processed until all the required information has been provided.
- Any activity on a road or road related area must not commence until the appropriate permit applications are approved.
- Please refer to the Road Corridor Event Permit Procedure for guidance when completing this application.

# **Procedure**

## 1. Purpose

The purpose of this procedure is to standardise the requirements when members of the public, commercial entities, and internal Mareeba Shire Council (MSC) staff apply for the use of a local road, footpath or road reserve including verges for events or when the need arises to redirect traffic that results in closure of a road during a planned activity.

#### 2. Scope.

This procedure shall apply to all planned road permit requests on roads and road related areas within the Council's geographical boundaries. This includes both local and state-controlled roads for which Council is the road steward.

#### 3. References.

The following documents are to be referred to if further guidance is required:

- Local Government Act 2009 (Qld) sections 69 and 75
- Manual of Uniform Traffic Control Devices (MUTCD) (All parts, in particular Part 3 Works on Roads)
- Austroads Guide to Temporary Traffic Management, Part 10
- Peaceful Assembly Act 1992 (Qld)
- Transport Infrastructure Act 1994 (Qld) Sections 45 and 46
- Transport Operations (Road Use Management) Act 1995 (Qld) Section 96

The above documents can viewed at the following website links: Legislation MUTCD

#### 4. Definitions.

For the purpose of this procedure the following definitions shall apply:

- Activity any event or roadworks that require the temporary closure of a road or a road related area to vehicular traffic and/or pedestrians.
- **Event** a planned gathering of the public for a particular occasion that causes an interruption to the normal function of a road or road related area. An event can also be referred to as a 'Special Event'.
- Interested Party any person, group or commercial/service entity that will be affected by the road permit.
- Permit an approved application for a road corridor event permit.
- Road Closure where an existing road or road related area is temporarily closed to all vehicular traffic and/or
  pedestrians.
- State Controlled Road A road that is within the geographical boundary of the MSC that is controlled by the Department of Transport and Main Roads (TMR) and MSC is the nominated road steward.
- TGS (Traffic Guidance Scheme) an approved drawing (provided by a traffic management company) that depicts the
  control methods to be implemented to safely redirect traffic and pedestrians around the road corridor event permit
  area.
- TMP (Traffic Management Plan) an approved plan, provided by a traffic management company.

TAF-001: Rev: 1.6 Road Corridor Event Permit Application Revision Date: 2025 Page 3 of 4

#### 5. Procedure

Where there is a need to apply for a road corridor event permit, MSC will require particular details of the activity to determine relevant conditions to ensure the event is conducted safely with minimum disruption to members of the public.

Completed applications are to be submit to Council, 28 business days prior to the event taking place.

Event organisers are to notify the general public, emergency services and other interested parties two (2) weeks prior to the activity.

Event organisers should also be aware that further permits from the Queensland Police Service and the Department of Transport and Main Roads (TMR), may also be required for the event.

Queensland Police and TMR, have their own requirements and applicants need to allow time for these additional permit approvals to be processed.

For further information, contact the local Police Station and request an 'Application for a Road Closure Permit' - Form QP 0891 <a href="https://www.police.qld.gov.au/sites/default/files/2020-12/QP-0891.pdf">https://www.police.qld.gov.au/sites/default/files/2020-12/QP-0891.pdf</a> and/or an 'Application for a Special Event Permit' - Form QP 0889 <a href="https://www.police.qld.gov.au/sites/default/files/2020-12/QP-0889.pdf">https://www.police.qld.gov.au/sites/default/files/2020-12/QP-0889.pdf</a>

TMR permits are only required when the activity is on or adjacent to a state-controlled road. For further information, contact the TMR by email cairns.office@tmr.qld.gov.au or visit their website TMR.

The processing of the application is as follows:

- 1. All applications to be addressed to the Mareeba Shire Council.
- 2. The application will be assessed on the information provided. Where further information is required, the responsible person will be contacted.
- 3. Upon completion of the assessment, the Mareeba Shire Council, where required will issue a letter of no objection to the applicant with conditions to be forwarded onto the Queensland Police Service.
- 4. The applicant must then forward to the Mareeba Shire Council a copy of the Queensland Police Permit and any other relevant permits issued for the event.
- 5. The applicant must abide by all road corridor event permit conditions as outlined for the event. Should the nature of the activity change, or Council receives complaints regarding the activity, Mareeba Shire Council reserves the right to revoke its non-objection for this or any future events.
