

POSITION TITLE	Labourer Construction & Maintenance (Western Roads)
DEPARTMENT	Infrastructure Services
GROUP	Works
LOCATION	Dimbulah
CLASSIFICATION / LEVEL	LGEA Level 3
REPORTS TO	Ganger Construction & Maintenance

Department Summary

The Infrastructure Services Department is responsible for the planning and delivery of Council's capital works and major operational works programs.

Department business units include:

- Works
- Technical Services
- Water & Waste
- Assets & Projects

Position Summary

A Labourer Construction & Maintenance is responsible for providing labouring skills to assist with the delivery of daily road maintenance and construction activities within the Mareeba Shire. The work includes operating mobile plant and performing manual handling tasks. Maintenance of a safe working environment and application of correct manual handling techniques are essential requirements for this position.

The position calls for physically demanding work to be undertaken in a hot and humid climate. A Labourer Construction & Maintenance needs to be physically fit and able to efficiently and consistently undertake these tasks. There is also a requirement to maintain weight at or below the Safe Working Load (SWL) for the seat of the machinery and equipment the position is required to operate.

This position is based in Dimbulah.

Key Responsibilities

- Perform safe and efficient general labouring duties at various locations throughout the region as directed, to ensure delivery of efficient, competent and high-quality work by the construction and maintenance team
- Required to work in a variety of locations across Mareeba Shire Council including works programs that involve working and camping in remote locations for specific periods of time
- Comply with all reasonable instructions given by supervisors and complete these tasks in a competent, capable, safe and efficient manner
- Operate Council plant, machinery and vehicles in a safe and competent manner to ensure compliance with Council requirements including safe work method statements
- Ensure worksite housekeeping and vehicle presentation is of a high standard so that it provides a safe work environment and reflects positively on the Council image

- Complete basic care and routine servicing of designated plant, including submission of plant maintenance reports, so that equipment is maintained and used in a safe, clean and serviceable condition
- Assist when required, to clean council amenities within the Shire
- Submit timely and accurate documentation and paperwork that may be required in the course of performing duties
- Other reasonable duties as directed from time to time

Skills and Knowledge

- Physical ability to undertake manual handling and labouring tasks for extended periods sometimes in hot and humid conditions
- Ability to positively contribute and work within a team environment with limited supervision
- Sound written and verbal communication skills and the ability to follow both written and verbal instructions
- Knowledge of and ability to apply safe work practices including manual handling techniques, and follow WHS procedures and policies
- Sound knowledge of construction methods and principles in the areas of concreting, road works and building works
- Sound knowledge of the suitable selection and use of construction tools, materials and fasteners

Qualifications and Experience

Essential (Mandatory for the position)

- Current Queensland MR/HR Class driver's licence or be able to obtain one within 6 months of employment
- Queensland Construction White Card, or national equivalent
- Current Traffic Control Accreditation prior to commencement of employment or be eligible to obtain accreditation which includes fulfilling requirements to obtain a satisfactory Crimtrac report
- Traffic Management Level 1 (MUTCD) or ability and willingness to acquire this qualification

Environmental Obligations

All employees have a legal obligation to comply with environmental legislation and must comply with any Environmental Authority issued to Council to carry out activities. Clause 4.2.5 of the Employee Code of Conduct provides further detail on employee and supervisor compliance requirements.

Workplace Health and Safety Obligations

All employees have a legal obligation to comply with WHS legislation. Employees must work in accordance with the Council Safety Management System – SAFE PLAN and comply with the WHS Responsibility Statement relevant to their position - see Schedule S3 attached.

SCHEDULE S3

WHS RESPONSIBILITY STATEMENT

Workers

All employees have a legal obligation to comply with WHS legislation, the Council WHS Management System (SAFE PLAN), WHS policies, procedures and work instructions. These operate to ensure the health and safety of employees, contractors, visitors, volunteers, the public and the environment.

The following responsibilities apply to all employees, including permanent, part-time and casual employees:

1. Ensuring you keep up to date and comply with WHS legislation and SAFE PLAN (WHS Plan) and participate in the completion of Monthly Action Plans (MAPs)
2. Performing all work and associated functions in a safe manner
3. Complying with WHS policies, procedures, reasonable written or verbal work instructions issued by Council or its officers
4. Correctly using and maintaining all personal protective clothing and equipment supplied by Council
5. Identifying hazards, conducting risk assessments, and taking corrective action to eliminate hazards where possible in the workplace, and/or to report hazards and risks in accordance with WHS procedures
6. Establishing and maintaining a high standard of housekeeping and cleanliness within individual work areas and on Council property generally
7. Reporting and assisting with the investigation of all incidents in the workplace, including minor injuries, near misses and property damage as requested
8. Attending relevant toolbox talks, team discussions or specific training organised by Council
9. Identifying the location of first aid treatment centres, fire protection facilities and evacuation procedures in the work area
10. Working in a manner that will not endanger you, other employees or the public
11. Cooperate with any reasonable instruction given by Council officers
12. Report any safety concerns to your supervisor
13. Ensuring compliance with National Heavy Vehicle legislative requirements relevant of this position.
