Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 1 (Administration) 2018*.

2 Purpose and how it is to be achieved

- (1) The purpose of this subordinate local law is to supplement *Local Law No. 1 (Administration) 2018*, which provides for a legal and procedural framework for the administration, implementation and enforcement of the local government's local laws, subordinate local laws and other regulatory powers, and for miscellaneous administrative matters.
- (2) The purpose is to be achieved by providing for—
 - (a) various matters regarding the granting of approvals for prescribed activities; and
 - (b) further specification of the definitions relevant to various prescribed activities.

3 Authorising local law

The making of the provisions in this subordinate local law is authorised by *Local Law No. 1 (Administration) 2018* (the **authorising local law**).

4 Definitions

Particular words used in this subordinate local law have the same meaning as provided for in the authorising local law.

Part 2 Approvals for prescribed activities

5 Prescribed activities that do not require an approval—Authorising local law, s 6(3)

For section 6(3) of the authorising local law, it is declared that section 6(2) of the authorising local law does not apply to the prescribed activities listed in schedule 1.

6 Categories of prescribed activities for the purposes of maximum penalties—Authorising local law, s 6(4)

For section 6(4) of the authorising local law, it is declared that—

- (a) the prescribed activities listed in part 1 of schedule 2 are category 1 activities; and
- (b) the prescribed activities listed in part 2 of schedule 2 are category 2 activities; and
- (c) the prescribed activities listed in part 3 of schedule 2 are category 3 activities.

7 Approvals that are non-transferable—Authorising local law, s 15(2)

For section 15(2) of the authorising local law, it is declared that the categories of approval listed in schedule 3 are non-transferable.

8 Prescribed complementary accommodation—Authorising local law, schedule 1

For the purposes of the definition of *complementary accommodation* in schedule 1 of the authorising local law, the accommodation listed in schedule 4 is prescribed as appropriate for caravan parks.

9 State-controlled roads to which the local law applies—Authorising local law, schedule 1

For the purposes of the definition of *road* in schedule 1 of the authorising local law, the State-controlled roads listed in schedule 5 are roads to which the authorising local law applies unless otherwise provided in the local law.

10 Public place activities that are prescribed activities—Authorising local law, schedule 2, part 2

For the purposes of paragraph (c) of the definition of *regulated activities on local government controlled areas and roads* in part 2 of schedule 2 of the authorising local law, the undertaking of a public place activity listed in schedule 6 is a prescribed activity.

11 Matters regarding prescribed activities—Authorising local law, ss 6(3), 8(2)(a), 9(1)(d), 10(3), 12, 13(a), 14(1)(a)

- (1) For each prescribed activity, a schedule prescribes the matters specified in this section for the prescribed activity named in section 1 of the schedule.
- (2) For section 6(3) of the authorising local law, it is declared that section 6(2) of the authorising local law does not apply to an activity stated in section 2 of the schedule relating to the prescribed activity.

- (3) For section 8(2)(a) of the authorising local law, the documents and materials that must accompany an application for approval for the prescribed activity are stated in section 3 of the schedule relating to the prescribed activity.
- (4) For section 9(1)(d) of the authorising local law, the local government may only grant an approval for a prescribed activity if it is satisfied the proposed operation and management of the activity would be consistent with the additional criteria prescribed in section 4 of the schedule relating to the prescribed activity.
- (5) For section 10(3) of the authorising local law, the conditions that must be imposed on an approval for a prescribed activity are stated in section 5 of the schedule relating to the prescribed activity.
- (6) For section 10(3) of the authorising local law, the conditions that will ordinarily be imposed on an approval for a prescribed activity are stated in section 6 of the schedule relating to the prescribed activity.
- (7) For section 13(a) of the authorising local law, the term of an approval for a prescribed activity is provided for in section 7 of the schedule relating to the prescribed activity.
- (8) For section 14(1)(a) of the authorising local law, the further term for renewal or extension of an approval for a prescribed activity is provided for in section 8 of the schedule relating to the prescribed activity.
- (9) For section 12 of the authorising local law, in Table 1 of the schedule relating to a prescribed activity—
 - (a) column 1 lists the application requirements for which the local government may accept as evidence the certificate of a third party certifier; and
 - (b) column 2 lists the individuals or organisations that are declared to be third party certifiers for the corresponding application requirement in column 1; and
 - (c) column 3 lists the qualifications that are necessary for an individual or organisation to be a third party certifier for the corresponding application requirement in column 1.

Part 3 Repeal provisions

12 Repeal of Subordinate Local Laws

This subordinate local laws repeals—

8 Term of renewal of approval

An approval that is renewed expires on the next 30th day of June, unless otherwise specified in a renewal.

Schedule 9 Establishment or occupation of a temporary home

section 11

1 Prescribed activity

Establishment or occupation of a temporary home.

2 Activities that do not require approval under the authorising local law

- (1) An approval under the authorising local law is not required for establishment or occupation of a temporary home—
 - (a) for less than 2 weeks in any 52 week period if the temporary home is established on a vacant allotment and occupied by the owners of the allotment; or
 - (b) for less than 4 weeks in any 52 week period if—
 - (i) the temporary home is sited on an allotment occupied by an existing dwelling house; and
 - (ii) the temporary home is located to the rear of the existing dwelling house.
- (2) However, subsection (1) applies only if no waste materials, including grey water, are deposited on site during occupation, or left on site after departure.

3 Documents and materials that must accompany applications for approval

An application for approval must be accompanied by—

- (a) a site plan illustrating—
 - (i) the location of the temporary home; and
 - (ii) the location of the other buildings on the site; and
 - (iii) the location of the proposed permanent residence; and
 - (iv) the location of neighbouring buildings; and
- (b) if the applicant is not the owner—written consent of the owner; and
- (c) details of the type of temporary home proposed; and
Examples for paragraph (c)—A shed; a caravan with an awning.
- (d) the proposed floor plan of the temporary home; and
- (e) details of the proposed fit out of the temporary home's kitchen, bathroom, toilet and laundry; and
- (f) intended method of water supply; and
- (g) details of a current building approval for the construction or renovation of a permanent residence and evidence of financial capacity and ability to construct or renovate the permanent residence.

4 Additional criteria for the granting of approval

For all approvals, the additional criteria are that—

- (a) where necessary, adequate screening of the temporary home is planned to ensure reduced impact on visual amenity; and
- (b) a building permit has been issued for the construction of a permanent residence on the property prior to the issue of the approval; and
- (c) a plumbing compliance permit has been obtained prior to the issue of the approval, to enable the fixtures to be installed and the liquid wastes to be removed; and
- (d) an adequate source of water will be available to the proposed temporary home; and
- (e) adequate means of waste disposal and sanitation will exist to ensure that reasonable standards of health and hygiene can be maintained; and
- (f) the proposed temporary home has, as a minimum, a toilet, shower, laundry tub, kitchen sink and hand basin; and
- (g) the proposed dwelling will be suitable for temporary occupation; and
- (h) separation distances are compliant with the Planning Act; and
- (i) the applicant is able to demonstrate an ability and capacity to construct a permanent dwelling within the term of the approval.

Example—

The applicant has a contract with a registered builder and sufficient funds are available. However this criteria may not be satisfied if a genuine application has not been made for building approval of a permanent residence or there is insufficient time remaining under the building approval to finish the relevant building work.

5 Conditions that must be imposed on approvals

For all approvals, a condition that must be imposed on the approval is that, where the temporary home is in an area serviced by the local government's waste contractor, a waste service must be obtained.

6 Conditions that will ordinarily be imposed on approvals

The conditions that will ordinarily be imposed on approvals are that the approval holder must—

- (a) keep the temporary home in good order and repair;
- (b) ensure that the temporary home is not unsightly or unhygienic;
- (c) ensure the temporary home does not detrimentally affect the amenity of neighbouring properties or cause an odour nuisance;
- (d) ensure that lighting used to illuminate any areas is angled or shaded in such a manner that the light does not cause a nuisance;

- (e) ensure that water intended for use for domestic purposes is from an approved water source;
- (f) maintain an adequate and continuous supply of water to all toilet, bathroom, kitchen, laundry and drinking water facilities that form part of the temporary home;
- (g) maintain all water supply connections in accordance with applicable legislative requirements;
- (h) ensure that the temporary home is only occupied by those persons whose names have been given to the local government in the application for approval;
- (i) ensure that there is an adequate means of waste disposal, including waste water, and sanitation and basic amenities are provided for living such as kitchen facilities, bathing facilities, laundry, toilet, sleeping accommodation, waste water disposal, refuse disposal, storage and adequate water supply to ensure reasonable standards of health and hygiene can be maintained;
- (j) ensure waste containers provided at the temporary home are sufficient to accommodate the collection and storage of all waste generated by and in conjunction with the use of the temporary home, and must ensure those waste containers are kept so as not to attract pests;
- (k) not incinerate waste;
- (l) dispose of human wastes from the temporary home at a dedicated sanitary facility, the sewerage system or an approved on-site sewerage facility;
- (m) connect all plumbing or drainage facilities to the temporary home as soon as practicable, but in any case no later than 90 days of the day a person first occupies the temporary home, so as to comply with plumbing and drainage requirements;
- (n) where the temporary home is for the temporary on-site accommodation of an owner-builder or builder—
 - (i) must construct the approved permanent residential dwelling in a timely and efficient manner, and complete the permanent dwelling within the duration of the approval term;
 - (ii) ensure that they do not cease construction of the permanent residence for a period greater than 90 days or such other period as the local government may approve; and
 - (iii) dismantle and remove the temporary home within 30 days of occupation of the permanent residence or the expiry of the term of the approval, whichever first occurs.

7 Term of approval

The term of the approval commences on the date the approval is granted and expires on the earlier of the following events—

- (a) the end of the term specified in the approval, which can be no more than 18 months from the commencement date; or

- (b) on the issue pursuant to the *Building Act 1975* of the Form 21 Final Inspection Certificate for the new permanent residence constructed on the allotment where the temporary home is located.

8 Term of renewal of approval

- (1) The renewal may only be renewed for the term that a permanent residence on the allotment is reasonably likely to become habitable, not exceeding 12 months, that must be stated in the approval.
- (2) The renewal will lapse on the issue pursuant to the *Building Act 1975* of the Form 21 Final Inspection Certificate for the new permanent residence constructed on the allotment where the temporary home is located.

Schedule 9A Establishment or occupation of temporary accommodation

section 11

1 Prescribed activity

Establishment or occupation of temporary accommodation.

2 Activities that do not require approval under the authorising local law

- (1) An approval under the authorising local law is not required for establishment or occupation of temporary accommodation—
- (a) for less than 4 weeks in any 52 week period if—
- (i) the temporary accommodation is located on an allotment that contains an existing dwelling house; and
- (ii) the temporary home is located to the rear of the existing dwelling house.
- (2) However, subsection (1) applies only if no waste materials, including grey water, are deposited on site during occupation, or left on site after departure.

3 Documents and materials that must accompany applications for approval

- (1) An application for approval must be accompanied by—
- (a) a site plan illustrating—
- (i) the location of the temporary accommodation;
- (ii) the location of the other buildings on the site; and
- (iii) the location of neighbouring buildings;
- (b) if the applicant is not the owner—the written consent of the property owner;
- (c) the details of the relationship between the applicant and property owner;
- (d) the details of the proposed period of stay;
- (e) the reason for which the use of the temporary accommodation is required;
- (f) confirmation that there is no commercial arrangement, or other consideration, that passes between the applicant and the property owner for the applicant to use the temporary accommodation;
- (g) details of the type of caravan proposed to be used for the temporary accommodation and the condition of the temporary accommodation; and
- (h) details of the number of persons to be accommodated in the temporary accommodation;
- (i) the proposed floor plan of the temporary accommodation, including details of the proposed fit out of the kitchen, bathroom, toilet and laundry;
- (j) intended method of water supply for the temporary accommodation; and

- (k) intended method of disposal of waste material, including blackwater and greywater, from the use of the temporary accommodation.

4 Additional criteria for the granting of approval

- (1) For all approvals, the additional criteria are that—
- (a) an existing dwelling house is situated on the property and will remain on the property whilst the use of the temporary accommodation is undertaken;
 - (b) where necessary, adequate screening of the temporary accommodation will be implemented to ensure reduced impact on visual amenity;
 - (c) an adequate source of water will be available to the temporary accommodation;
 - (d) adequate means of waste disposal and sanitation will exist to ensure that reasonable standards of health and hygiene can be maintained;
 - (e) the proposed temporary accommodation has a toilet, shower, laundry tub, kitchen sink and hand basin;
 - (f) the temporary accommodation will be suitable for occupation on a temporary basis;
 - (g) separation and set back distances between the proposed placement of the temporary accommodation and property boundaries will comply with the local government's planning scheme;
 - (h) the applicant is able to demonstrate current hardship that requires the use of the temporary accommodation as a place of residence on private property;
Example for subparagraph (h)—
The applicant does not own a home or hold a lease for a residential premises in which they can reside.
 - (i) the applicant is able to demonstrate that they are either a family member or close friend of the owner of the property on which the temporary accommodation is required; and
 - (j) the temporary accommodation will not detrimentally affect the amenity of neighbouring properties or create an unreasonable nuisance in the opinion of an authorised person.

5 Conditions that must be imposed on approvals

- (1) The conditions that must be imposed on an approval are that the approval holder must—
- (a) ensure that the existing dwelling house situated on the property will remain on the property during the term of the approval;
 - (b) ensure that the sanitary and laundry facilities are only used in the existing dwelling or in the temporary accommodation;
 - (c) not dispose of, and ensure that no other person disposes of, any blackwater and/or greywater from the use of the temporary accommodation on the

ground or in any other way, other than as lawfully permitted for the disposal of such blackwater or greywater;

- (d) ensure that the temporary accommodation remains moveable at all times and must not be permanently affixed to the ground or other structure;

Example—

The wheels of the caravan must not be removed, so that the caravan can be removed when required.

- (e) ensure that the condition of the temporary accommodation is appropriately maintained to prevent deterioration and keep it in good order and repair;
- (f) ensure that the temporary home is not, and does not become, unsightly or unhygienic;
- (g) ensure that the separation and set back distances between the approved placement of the temporary accommodation and property boundaries is maintained as specified in the approval;
- (h) ensure that there is no commercial arrangement, or consideration, that passes between the applicant and the property owner for the applicant to use the temporary accommodation;
- (i) provide all evidence reasonably requested by an authorised person to enable the authorised person to be satisfied that there is no commercial arrangement or other consideration that passes between the approval holder and the property owner for the use of the temporary accommodation, when requested throughout the term of the approval;
- (j) ensure that only the person, or persons, including the specified number of people, approved pursuant to the approval stay in the temporary accommodation;
- (k) ensure that only the temporary accommodation approved by the local government and specified in the approval is used on the property;
- (l) ensure that the period approved for the temporary accommodation to be used on the property is only used for that period;
- (m) ensure that on the expiry of the approval, the temporary accommodation is removed from the property on which it was located;
- (n) ensure that any lighting used in or as part of the temporary accommodation is angled or shaded in such a manner so that the light does not cause an unreasonable nuisance in the opinion of an authorised person; and
- (o) ensure that the temporary accommodation does not detrimentally affect the amenity of neighbouring properties or create an unreasonable nuisance, including noise and odour, in the opinion of an authorised person.

6 Conditions that will ordinarily be imposed on approvals

- (1) The conditions that will ordinarily be imposed on approvals are that the approval holder must—

- (a) ensure that water intended for use for domestic purposes is from an approved water source;
- (b) maintain an adequate and continuous supply of water to all toilet, bathroom, kitchen, laundry and drinking water facilities that form part of the temporary home;
- (c) maintain all water supply connections in accordance with applicable legislative requirements; and
- (d) any other condition the local government considers is reasonably necessary to ensure the protection of public health, safety and/or amenity is maintained by the approval holder in using the temporary accommodation.

7 Term of approval

The term of the approval commences on the date the approval is granted and expires on the date specified in the approval.

8 Term of renewal of approval

An approval may only be extended by the local government, following an application by the approval holder, for the further term stated in the renewal as determined by the local government.

Schedule 10 Installation of advertising devices

section 11

1 Prescribed activity

Installation of advertising devices.

2 Activities that do not require approval under the authorising local law

- (1) The installation of an advertising device does not require approval under the authorising local law in the following circumstances—
 - (a) the installation of the advertising device is regulated under the local government's planning scheme; or

 - (iii) do not project above the roof line of a building to which the vertical banner is attached; and
 - (iv) do not exceed a maximum width of 0.6m;
 - (v) are no larger than 2m² in face area.

- (3) The *prescribed requirements for advertising devices* are that—
- (a) the advertising device, including any structure associated with the support of the advertising device, must be structurally sound and safe; and
 - (b) the display of the advertising device must not cause obstruction of, or distraction to, pedestrian or vehicular traffic on a road or any road-related area; and
 - (c) an advertising device must not be located so as to form a background to a road or road-related area when viewed from any direction; and
 - (d) an advertising device must not reflect any vehicle headlight glare towards—
 - (i) a road; or
 - (ii) a road-related area; or
 - (iii) a sensitive place; and
 - (e) an advertising device that is illuminated must be shielded to prevent the illumination of any road or road-related area and the illumination of the advertising device must not extend further than 3m from the advertising device; and
 - (f) an advertising device may only be erected on premises with the written consent of the registered owner or trustee of the premises and the advertiser must produce the written consent to the local government on demand; and
 - (g) an advertising device that advertises premises, or an activity conducted on the premises, which is not installed on the premises, must not diminish the visual amenity of the locality on which the advertising device is installed; and
 - (h) only 1 advertising device that is visible from a road may be installed on premises; and
 - (i) an advertiser must not install an advertising device within 200m of an intersection of 2 roads unless the advertising device does not cause obstruction of, or distraction to, pedestrian or vehicular traffic; and
 - (j) the advertiser of an advertising device must maintain the advertising device in good order and repair; and
 - (k) the advertising device must not be installed on or be viewed from a State-controlled road; and
 - (l) an advertising device installed on a local government controlled area or road must not be attached to, or supported by, a tree, shrub or similar vegetation that is in its natural state (whether dead or alive); and
 - (m) an advertising device must not be attached to local government or main roads infrastructure or signs; and
 - (n) an advertising device must not be situated on the paved area of the road or on traffic islands; and
 - (o) the advertiser of an advertising device must maintain a public liability insurance policy that complies with the local government's published standards for public liability insurance for advertising devices, unless the

advertising device is a garage sale sign, lost pet sign, election sign, fresh produce signs (not associated with a roadside stall) or a rural identification sign; and

- (p) the advertiser of an advertising device must produce documented evidence of public liability insurance mentioned in paragraph (o) to an authorised person upon request;
 - (q) all temporarily constructed supports (for example, stakes driven into the ground) must be constructed from timber; and
 - (r) all advertising devices must be located at least—
 - (i) 3.5 meters from the edge of the nearest traffic lane on roads with a speed limit of 80kph or less; or
 - (ii) 6 meters from the edge of the nearest traffic lane on roads with a speed limit greater than 80kph.
- (4) In this section—

event sign means an advertising device that advertises a local event of a cultural, educational, recreational, religious, social or similar nature.

face area, of an advertising device—

- (a) means—
 - (i) generally—the area bounded by the framework of a manufactured panel, hoarding or illuminated sign case and calculated by multiplying the sign face area height and width parameters; and
 - (ii) in the case of lettering, logos or designs applied to a lesser area than the panel parameters, or individual lettering applied to a wall or awning face—the area calculated by drawing a rectangle around the advertising device lettering; and
 - (iii) in the case of irregular shaped advertising devices, including words with ascending or descending upper or lower case letter strokes, or replicas or shapes—the face area calculated by not more than 2 abutting and non-overlapping rectangles added together.
- (b) includes any decorative lines, stripes or an architectural trim forming part of an advertising device, whether illuminated or not.

horizontal banner sign means a temporary advertising device suspended from a structure or pole with or without supporting framework displaying an advertising device applied or painted to fabric or similar material of any kind.

portable sign means a temporary portable self-supporting sign which is freestanding and may be mounted on wheels to facilitate movement and includes an A frame sign and a sandwich board.

rural identification sign means a freestanding sign which is intended to display the name or nature of an agribusiness or occupant undertaking an agricultural practice on the property that the sign is advertising.

vertical banner sign means an advertising device of non-rigid material normally supported at 2 or more locations from brackets from either a pole or a building.

3 Documents and materials that must accompany applications for approval

The application for approval must be accompanied by—

- (a) details of the advertising device including the dimensions, colour, content, materials and construction; and
- (b) details of where the device is to be located and how it is to be affixed; and
- (c) where necessary, an engineer's certificate for the structural adequacy of the device with reference to wind velocity loadings.

4 Additional criteria for the granting of approval

For any approval for installation of an advertising device, the additional criteria are that—

- (a) the proposed installation of the advertising device is consistent with the prescribed requirements for advertising devices in section 2(3) of this schedule
- (b) the dimensions of the advertisement bear a reasonable relationship to the dimensions of surrounding buildings and allotments so that—
 - (i) its presence is not unduly dominating or oppressive; and
 - (ii) it does not unreasonably obstruct existing views;
- (c) the advertisement is consistent, in colour and appearance, with buildings and natural features of the environment in which it is to be situated;
- (d) the advertisement is in other respects consistent with the character and values of the environment in which it is to be situated.

5 Conditions that must be imposed on approvals

The conditions that must be imposed on an approval are as follows—

- (a) The dimensions of the sign shall not exceed the following—
 - (i) under awning sign which is securely fixed under a permanent awning—
– length 2.4 metres; width 200 mm; and

 - (i) listing the local government as an interested party;

- (ii) covering their respective rights, interests and liabilities to third parties in respect of accidental death of, or accidental bodily injury to, persons or accidental damage to property; and
 - (iii) for an amount of no less than the amount listed in the local governments Requirements for Public Liability Insurance for Approval Holders published on the local government's website;
 - (n) prior to the commencement of the prescribed activity, provide the local government with a certificate of currency for the standard public liability insurance policy;
 - (o) the local government must be indemnified against all actions, proceedings, claims, demands, costs, losses, damages and expenses which may be brought against or made upon the local government as a result of the activity;
 - (p) for an approval for installing a portable 'A' frame or inverted 'T' frame board sign—
 - (i) the size of the device must not exceed 600 millimetres (width) x 1200 millimetres (height);
 - (ii) the device must be fitted with a strut or other approved mechanism to ensure the sign can not close accidentally;
 - (iii) the device must be fixed or weighted so as to ensure stability;
 - (iv) all corners of the device must be chamfered;
 - (v) the maximum number of devices that may be installed for a business is—
 - A. for corner businesses—1 device on each street frontage; or
 - B. in any other circumstances—1 device;
 - (q) the device must be placed at the roadside edge of the footpath and set back 0.3 metres from the kerb;
 - (r) the device must be removed from the footpath during the hours when the business is closed;
 - (s) the device must not be located within any landscaped area or garden bed.
- (2) The conditions that will ordinarily be imposed on election signs are that the device must—
- (a) not be erected until an election has been called and the writ has been issued (in the case of State of Commonwealth elections), or a notice of election has been published (in the case of local government elections);
 - (b) in the case of a referendum or poll, not be erected before the writ for the referendum is issued or; in the case of a poll, before a date determined by the local government;
 - (c) be removed within 14 days after the day of the election.

7 Term of approval

An approval commences on the date the approval is granted and expires on the next 30th day of June, unless otherwise specified in an approval.

8 Term of renewal of approval

An approval that is renewed expires on the next 30th day of June, unless otherwise specified in a renewal.

Schedule 11 Keeping of animals

section 11

1 Prescribed activity

Keeping of animals.

2 Activities that do not require approval under the authorising local law

This section has been intentionally left blank.

3 Documents and materials that must accompany applications for approval

An application must be accompanied by the following information—

- (a) the species, breed, age and gender of the animal or each of the animals for which the approval is sought; and
- (b) the number of animals to be kept; and
- (c) the area, or part of the area, in which the animal or animals are to be kept; and
- (d) the nature of the premises in which the animal or animals are to be kept; and
- (e) details of the proposed keeper's experience and qualifications to conduct the activity.

4 Additional criteria for the granting of approval

- (1) For all approvals, the additional criteria are that—
 - (a) the land is physically suitable for the keeping of the animal; and
 - (b) the enclosure in which the animal is to be kept is structurally suitable; and
 - (c) the animal is not likely to cause undue nuisance, inconvenience or annoyance to the occupiers of adjoining land.
- (2) For an approval to keep a rooster in an urban area, the additional criterion is that the keeper of the rooster is a member of a poultry club in the local government area that is formally affiliated with a national or state association for poultry keeping.
- (3) For an approval to keep more than 2 dogs or cats in an urban area greater than 450m², the additional criteria are that—
 - (a) the animals are kept as part of the activity of showing or breeding dogs or cats and the keeper of the animals is a member of a recognised breeders' association; or
 - (b) exceptional circumstances exist to justify the keeping of the additional animal or animals.

Example for paragraph (b) of 'exceptional circumstances'— A family member has passed away

and left the pet in the keeper's care.

- (4) For an approval to keep more than 2 head of stock on a property in an urban area greater than 10,000m² or a pig on a property in an urban area greater than 20,000 m² the additional criteria are—
- (a) the animal will only be kept on the property temporarily; and
 - (b) exceptional circumstances exist to justify the approval.
- (5) For an approval to keep a horse on a property in an urban area greater than 450m² but less than 10,000m², the additional criteria are—
- (a) the animal will only be kept on the property temporarily; and
 - (b) exceptional circumstances exist to justify the approval.

Example for paragraph (b)—The animal is undergoing veterinary treatment that requires it to be kept on a property in an urban area.

5 Conditions that must be imposed on approvals

This section has been intentionally left blank.

6 Conditions that will ordinarily be imposed on approvals

The conditions that will ordinarily be imposed on an approval are that the approval holder—

- (a) may not use this approval to breed or conduct any commercial activity involving the animals on the property;
- (b) must ensure compliance with any of the requirements for keeping an animal under State legislation and *Local Law No. 2 (Animal Management) 2018*;
- (c) must ensure the animals do not cause a nuisance, inconvenience or annoyance to others.

7 Term of approval

An approval commences on the date the approval is granted and expires on the next 30th day of June, unless otherwise specified in an approval.

8 Term of renewal of approval

An approval that is renewed expires on the next 30th day of June, unless otherwise specified in a renewal.

Schedule 12 Operation of camping grounds

section 11

1 Prescribed activity

Operation of camping grounds.

2 Activities that do not require approval under the authorising local law

This section has been intentionally left blank.

3 Documents and materials that must accompany applications for approval

An application for approval must include or be accompanied by—

- (a) a plan showing the boundaries of the camping ground and the division of the camping ground into camping sites; and
- (b) if the applicant is not the owner of the land on which the camping ground is situated—the written consent of the owner regarding the application; and
- (c) details of the facilities for sanitation, washing and laundry to be provided for campers; and
- (d) details of water quality, reticulation and drainage.

4 Additional criteria for the granting of approval

Applications must meet the following additional criteria—

- (a) the applicant is a suitable person to operate a camping ground.

- ~~(f) if relying on subsection (e)(iii) to demonstrate a particular significant association, the applicant must provide evidence that one of the parties specified below (as the case may be) supports the burial or disposal of human remains on the land:
 - ~~(i) where the land is subject to a native title determination, the registered native title holder for the land; or~~
 - ~~(ii) where the land is subject to a current native title claim, the applicant in the native title claim; or~~
 - ~~(iii) if subsections (i) and (ii) are not applicable, the recognised traditional owner of the land, or a statement detailing all attempts made to locate the traditional owner of the land; and~~~~

~~(e)(g)~~ details of the relevant qualifications of the ~~undertaker~~ funeral director organising the burial.

4 Additional criteria for the granting of approval

The additional criteria for approvals for burial or disposal of human remains outside a cemetery are that—

- ~~(a) the approval is justified by—~~
- ~~(i) a particular significant association to the land that was—~~
- ~~(A) historical;~~
- ~~*for example the person had a direct and continuous association to the land, or the human remains of other family members have been disposed of, in a family cemetery.*~~
- ~~(B) traditional or cultural; and~~
- ~~*for example the person has a native title right to be buried on the land, and the native title holders consent to the burial.*~~
- (a) The applicant has sufficiently demonstrated a particular significant association to the land that shows the deceased person—
- (i) had a direct and continuous association to the land for at least three generations; or
- (ii) resided on the land for at least 30 years as the owner, occupier or as a lessee, licensee or employee; or
- (iii) had a particularly significant traditional or cultural association to the land and the land is a demonstrated traditional burial place that is support by either of the following parties (as the case may be)—
- (A) where the land is subject to a native title determination, the registered native title holder for the land; or
- (B) where the land is subject to a current native title claim, the applicant in the native title claim.
- (b) the burial or disposal of human remains at the place will not cause reasonable offence to others;:-
- (c) the land on which the burial or disposal of humans remains is proposed is:
- (i) a minimum of 50 hectares and is located within the rural zone under the local government's planning scheme; and
- (ii) is considered appropriate, in the opinion of the local government, having regard to the tenure of the land and the current and possible future uses of the land; and
- (d) the burial location is at least 25 metres away from all buildings on the land, water courses and adjoining properties;
- (e) the area around the burial location will be suitably fenced to delineate the boundaries of the burial location;
- (f) the burial place will be permanently marked and show the details of the deceased person as required by the local government; and

(g) the proposed burial or disposal of human remains will not, in the opinion of the local government:

(i) cause or create any adverse environmental impacts to the land or surrounding areas; or

(ii) interfere with the amenity, use and enjoyment of the land.

for example—

an area that is a waterway or water storage dam that may be impacted, either immediately or over time, by the burial or disposal of human remains.

5 Conditions that must be imposed on approvals

Conditions that must be imposed are that—

(a) the burial or disposal of the human remains must take place at a time, or within a period, specified in the approval;

(b) a memorial or marker showing the details of the deceased person must be erected to identify the site in which the human remains have been buried;:-

(c) the burial or disposal of the human remains must be undertaken by a recognised funeral director;

(d) the burial or disposal of the human remains must be located in the burial location and in the way specified in the approval;

(e) an authorised person is permitted to enter the land at a reasonable time without the permission of the owner or occupier, to inspect the burial location at any time either before or after the burial or disposal of human remains occurs;

(f) the area surrounding the burial location must be suitably fenced to delineate the boundaries of the burial location;

(g) the burial or disposal of the human remains must be undertaken in such a way that prevents any adverse environmental impacts to the land or surrounding areas;

(h) the burial or disposal of the human remains must not interfere with the amenity, use or enjoyment of the land;

(i) the approval holder must ensure that reasonable measures are implemented to prevent harm to the health or safety of persons who are involved in, or present for the burial or disposal of the human remains; and
