

# Sale of Land – FAQ and Important Information

1. **No legal advice** - Council cannot provide legal advice. Any advice provided by Council or its agents is general in nature.

You are encouraged to seek independent legal advice and undertake your own due diligence conditions as you see fit, prior to the auction.

2. **The auction list may change** - Properties can be removed from sale up to Auction, at Councils absolute discretion.

It is recommended that you continue to check Council's website as the list of properties going to Auction may be continuously updated.

3. **As is, where is** - Council cannot provide access or inspection of the properties. The properties are sold on a "as is, where is" basis.

Council gives no warranty as to the state or occupation of a property in any respect, including whether the buyer will receive vacant possession.

If there is an occupier in the property after settlement, this is the buyer's responsibility.

4. **Contract terms** - Contracts are unconditional. A 10% deposit is required to be paid on fall of the hammer by EFT. Settlement is 12 September 2025.
