

Trainee Water Treatment Plant Operator

This traineeship is your gateway to completing a nationally recognised qualification while gaining invaluable mentoring and hands-on experience across diverse areas of Water Industry Operations.

You will complete a Certificate III in Water Industry Operations over a 12-month period while undertaking a range of work activities in Council's water and waste water treatment operation.

What we are looking for:

- Preferably applicants will have recently completed secondary school
- You will need to be a motivated individual who will positively contribute and work as part of a hardworking team
- You will need to have good verbal and written communications skills that will enable you to communicate effectively and complete course work to the required standard within the specified timeframe
- You will have a willingness to perform and be functionally fit to undertake manual handling and labouring tasks often in hot and humid conditions
- You will need to meet the prerequisite requirements and be eligible to enrol in an approved course

What we can offer you:

- Opportunity to undertake a Certificate-level qualification
- Fixed term position for period of the traineeship (nominal period is 12 months)
- Commencing wage from \$33,742 per annum depending on age at commencement
- per annum depending on the age of the successful applicant
- Mareeba Allowance – up to \$2,080 per annum
- 12% employer superannuation contributions
- 5 weeks annual leave with 17.5% leave loading

Mareeba Shire Council is committed to the principles of Equal Opportunity and workplace diversity. We encourage a diverse workforce reflective of our community to better meet the needs of our customers.
