BE WATERWISE: Water is a precious resource, and we need to conserve it now and in the future. By changing some of your habits, you can save water, money and the environment. **Being water wise is easy. Make a difference today!** Following are a few tips to assist you in becoming more efficient with your water usage:

- Turn off the tap when brushing your teeth or shaving.
- Use the dishwasher. Running a full load in a water efficient dishwasher uses less water than washing dishes by hand.
