

Oops...Were you wheelie wise ?

New kerbside collection trucks will be commencing soon and will not pick up bins that are overflowing, contain contaminated waste or bins that are obstructed.

Under the new collection service, your bin may not have been serviced .

To be Wheelie Wise:

- ✓ Place your bin on the kerbside of the road the night before collection.
- ✓ The wheelie bin must be accessible for collection trucks.
- ✓ The bin lid must be able to close.
- ✓ One wheelie bin per residence* .
- ✓ Use an approved wheelie bin.
- ✓ Keep your wheelie bin clean and in good repair.
- ✓ After collection, return it to your property promptly.
- ✓ Secure all rubbish placed in the bin e.g. bag or wrap up loose items.
- ✓ Ensure that rubbish is not smouldering or aflame.

*We will be pleased to assist you with any further information such as collection days or if you need an extra service. Contact **1300 308 461** or visit www.msc.qld.gov.au.*
