Mareeba Shire Council is currently working on uploading detailed information relative to Planning and Building Development Permits issued by the Council since January 2014 in accordance with current requirements under the Sustainable Planning Act 2009. In the interim, the attached table has been created displaying Building Development Permits in summary format for viewing. This table will be updated monthly, therefore should you require detailed information relating to any given building application, we suggest you make contact with Council to request provision of the most current information for your purposes.
