# COMMUNITY ARTS DIRECTORY 2018 / 2019

Welcome to the first edition of the Mareeba Shire Community Arts Directory.

This Community Arts Directory is a free, publicly accessible directory of arts, heritage and cultural artists and workers, groups and organisations within the Mareeba Shire. The Directory has been developed with funding from Arts Queensland, Regional Arts Development Fund (RADF), which is a partnership between the Queensland Government and Mareeba Shire Council to support local arts and culture in regional Queensland.

Through the RADF program, Council is committed to supporting and promoting the development of the arts, cultural and heritage sector within the Shire. The Directory will encourage connectedness within the community and increase the capacity for collaborative activities while promoting participation and development opportunities for residents and groups. The Directory will be a valuable resource for residents of and visitors to the Shire.

Individuals, groups and organisations who operate in the Mareeba Shire are welcome to create a listing in the Directory. To add a new listing and update or remove an existing listing, please complete and submit the Contributor Details Form, which is available on Council's website. The Community Arts Directory will be updated on 1 July 2019.
