

# BARKING DOGS

Dear Neighbour,

You may not know that the barking of your dog/s is disrupting your neighbours' lifestyle.

I would like to let you know rather than making a complaint to Mareeba Shire Council.

If you would like advice and information about barking dogs, please visit Council's website, [www.msc.qld.gov.au](http://www.msc.qld.gov.au) or phone 1300 308 461.

Date	Barking start time	Barking stop time	What is your dog barking at?

Hoping we can restore the serenity of our neighbourhood.
